The successful applicant will need to:

2. Work as a member of a team and be able to communicate effectively with club members, swimmers, parents and other coaches.
3. Produce detailed plans for their squad, to be agreed with the Chief Coach.
4. Have the ability to lead a team of volunteers within their sessions.
5. Attend meetings as required.
6. Have excellent technical knowledge of swimming technique, and the ability to communicate this effectively to swimmers.

Regular poolside hours will be around 5 per week over 4 evening sessions, primarily coaching swimmers aged 8-13 in one of the club's Junior Squads. The successful applicant will also be expected to attend galas which their squad are attending and provide occasional cover for other coaches' absence.

An enhanced DBS check will be required. The club is proud of the CPD opportunities we are able to offer to our teachers and coaches, and the successful applicant will be encouraged to undertake additional qualifications and offered support in achieving them.
